History

Johs M. Klein senior founded the company in 1886. Later Johs. M. Klein Junior took over, and in 1966 Mr. Jørgen Dam (1926 - 2011) became sole proprietor of Johs. M. Klein & Co. In 1993, the private owned company was transformed into a Limited Company named Johs. M. Klein Distribution A/S but the basic idea of the firm did not change. Søren Merrild – who joined Johs. M. Klein in 1984 – is since 1993 partner, and has now acquired the share majority of the company.

The company worked as traditional agent up to the beginning of the sixties but hereafter it took more and more the role of a distributor to the wholesale trade. Starting in a small cellar of 150 m² Johs. M. Klein Distribution A/S is now located in a rented warehouse of approx. 2300 m² and operates as agent for foreign wines and spirits producers, distributor to the wholesale trade, and in addition hereto the company is also an important supplier to chains of supermarkets, wine shops as well as to the On-trade sector throughout Denmark.

Historien om John. M. Klein

John. M. Klein blev grundlagt i 1895 af Johannes Marcus Klein. Efter hans død blev firmaet videretaget af hans søn Johannes Marcus Klein Junior. I 1954 blev den senere ejer af firmaet Jørgen Dam ansat, og han overtog firmaet i 1966.

I 1993 blev firmaet omendret til aktieselskab, og Jørgen forblev som John. M. Klein Distribution A/S. I forbindelse med dette blev firmaets nuværende adm. direktør Søren Mathis, medlem af firmaet, og er i dag indfører af aktieselskabet i John. M. Klein Distribution A/S.

Fra skæften og tidligt begyndelse af 60'erne arbejdede firmaet som traditionel vinagentur. Sådan da har forvirringen adrevet sig, til i dag at være leverandør til den danske dagligvarshandel, hotel- & restaurationssektoren, samt til sine traditionelle virksomheder. Agentur for strøget og stadig en vigtig del af vores identitet, der ofte foregår med direkte input fra vores agenturgivere til handel.
